Sir,

In submitting herewith a revised estimate for Rs. 848/- for the repairs of the car of Sri Aswathanarayana Devaru at Mahishi, Thirthahalli Taluk, I have the honour to state that the original estimate was sanctioned for Rs. 625/- by the Government in their order No: 2449-50/Muz.514-15-2 dated the 12th April 1916 and a revised estimate for Rs. 784/- in Government Order No: 633-4/Muz.40-19-2 dated 20th August 1919 as the rates provided for in the original estimate was too low to induce any contractor to take up the work.

2. The Sub Division Officer, Shimoga brought to my predecessor's notice at Thirthahalli on 12th January 1921 that this work was an urgent one, that the rate of Rs. 3/- per cubit foot of Bhogi timber was too low (as ascertained in the locality) and that the same may be raised to Rs. 3-8-0 per cubit foot. He further reports that he has issued orders to carry out the work at the enhanced rate in anticipation of sanction as the work was an urgent one.

3. Under these circumstances, I request you to kindly obtain the sanction of Government to the revised estimate for Rs. 848/- cancelling the one for Rs. 784/-. The cost may be met out of the funds at the credit of the Institution (Rs. 6,211-2-5 at the end of June 1921

as per monthly accounts).

4. The file ending with Shimoga Sub Division Officer's Yadi No: L.C.1663/20-21 dated 3rd February 1921 is enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
